## **PRESCHOOL GREETER**

Do you enjoy people? How about young children? Assistance is needed during drop off and pickup hours to welcome children and families at school. A smiling face for a frazzled parent goes a long way in brightening their day and helping create a positive relationship between school parents and our ministry. Help is also needed to answer telephones and prepare class activities the day.

Following services, a team of people from the Altar Guild is involved in taking down and setting up the communion ware between services

## **USHER**

Ushers provide a positive impression to those who enter the sanctuary. They distribute bulletins and provide assistance with seating, communion, and the offering. Service in this area offers the opportunity to meet and interact with worship guests and other ushers.

**COMMITMENT** – 1-2 hours a month at service of your choice
